

# BELL ROAD BRIDGE REPLACEMENT

## *Bell Road bridge over Cauley Creek*

### PROJECT OVERVIEW

The project includes replacing the Bell Road bridge over Cauley Creek.

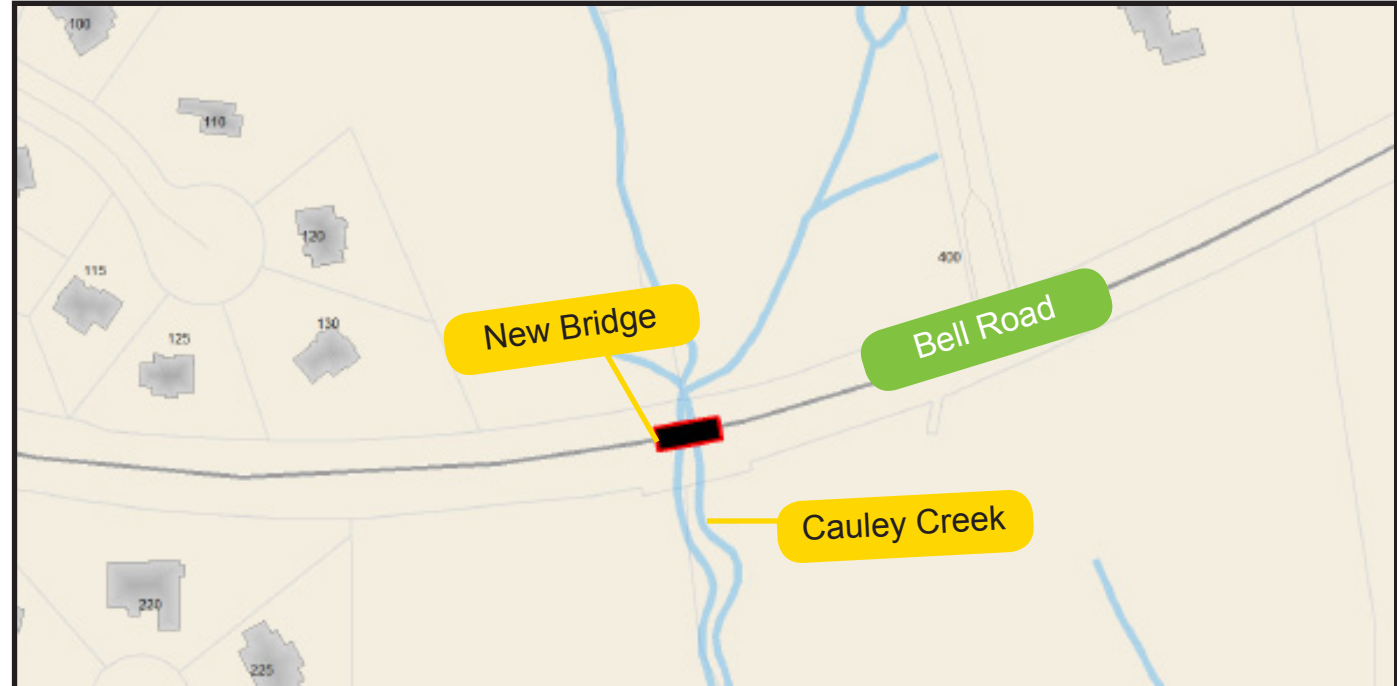

### PROJECT TIMELINE

The Georgia Department of Transportation began the project in December 2014.

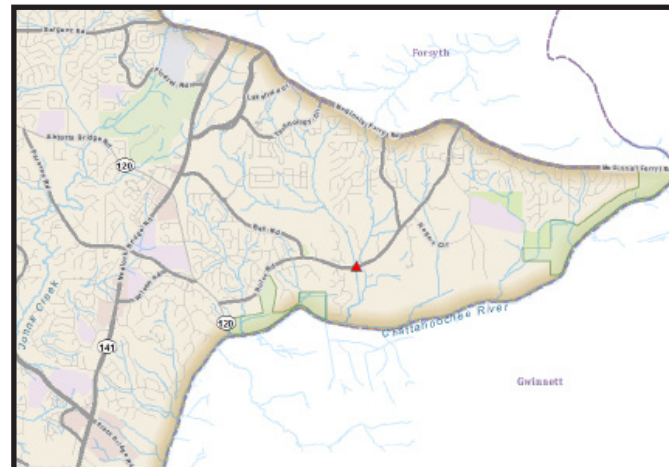

GDOT worked out a new agreement with its contractor and the completion date for the project is May 31, 2016.

### KEY POINTS

- One lane remains open during construction
- Replaces 54-year-old bridge
- Replacement bridge will be wider
- 10-foot-wide trail on one side of bridge
- 5-foot-wide sidewalk on other side of bridge
